There is no more true feeling of JOY than watching our young children and their parents sharing the sounds of Christmas to our members in nursing homes. The smiles we bring to all the elderly this day are priceless and our praises we sing is spreading God's Word to all those that listen, not just to our church member we are singing to.

Sign-ups will be set out closer to the date for items of food that we will need some help getting.

## **March 15-22 (during school hours) – Gear Swap**

During this week, we'll set out used spirit wear and cleats that you can feel free to use for your family. It's that time of year that you may need soccer cleats! So help yourself and save yourself a buck.

After the entertainment is all finished, the children eat a feast of chicken and more with their grandparents. This event is run solely by parents of the children.
